INTRODUCTION

The purpose of this COVID-19 Safety Plan (**Plan**) is to provide an overarching plan for the implementation and management of procedures by Toukley RSL Bowling Club (TRSLBC) to support The Ary, Toukley and its members and participants in the staged resumption of community sport and club activities.

The arrangements set out in this Plan are intended to prevent the transmission of COVID-19 among members, participants, coaches, officials, administrators/volunteers, visitors, families and the broader community. The Plan provides the framework to govern the general operation of the TRSLBC, any facilities it controls, the playing/training behaviour of all members and participants and the monitoring and reporting of the health of attendees at The Ary, Toukley facilities.

This Plan includes, but is not limited to, the conduct of:

- a) staged training and competition activities (Lawn Bowls operations); and
- b) facility management and supporting operations (Facility operations).

The Plan is always subject to all regulations, guidelines and directions of government and public health authorities.

KEY PRINCIPLES

This Plan is based on, and accepts, the AIS [Framework for Rebooting Sport in a COVID-19 Environment](#) (**AIS Framework**) and the [National Principles for the Resumption of Sport and Recreation Activities](#) (**National Principles**). It also complies with the [NSW Government Public Health Order](#)

The Plan also accepts as key principles that:

- The health and safety of members, participants, coaches, officials, administrators/volunteers, visitors, families and the broader community is our number one priority
- Members, participants, coaches, officials, administrators/volunteers, families and the broader community need to be engaged and briefed on TRSLBC's return to Bowls plans
- Facilities are assessed and appropriate plans are developed to accommodate upgraded hygiene protocols, physical distancing and other measures to mitigate the risk of transmission of COVID-19
- Organised play cannot resume until the arrangements for Lawn Bowls operations and Facility operations are finalised and approved, if necessary; and
- At every stage of the return to Bowls process TRSLBC must consider and apply all applicable local restrictions and regulations. TRSLBC needs to be prepared for any localised outbreak at your facilities, within your competitions or in the local community.

RESPONSIBILITIES UNDER THIS PLAN

The Ary, Toukley is responsible for approving the Plan and authorising any return to play.

TRSLBC is responsible for the effective management and implementation of the return to Lawn Bowls activities and operations outlined in this Plan.

TRSLBC expects all members, participants, coaches, officials, administrative staff and volunteers to:

- Comply with the health directions of government and public health authorities as issued from time to time
- Understand and act in accordance with this Plan as amended from time to time
- Comply with any testing and precautionary measures implemented by The Ary, Toukley and TRSLBC
- Act with honesty and integrity regarding the state of their personal health and any potential symptoms; and
- Monitor their health and take a cautious approach to self-isolation and reporting of potential symptoms.
